

Debra Yates Selected Top Ten Women in Business for ABWA

The American Business Women's Association, Camelot Chapter is proud to announce that our past-President, Debra L. Yates has been selected as one of the 2010 Top Ten Women in Business for ABWA.

ABWA Top Ten Women in Business is a national program that honors 10 outstanding members of ABWA for achieving excellence in career, education and community involvement. From those 10 honorees, one is selected to represent the Association, and all working women, as the 2010 American Business Woman.

Debra is the owner of Skin Rejuvenation & Laser Center, a licensed aesthetician and practice administrator for Plastic Surgery Center, Ltd in Camp Hill, Pennsylvania.

“From my Association with the women in ABWA, I have found it has given me the tools to build character, to have the courage and the conscience to take initiative, action and leap of faith to make decisions in my skin care business and career.”

Debra was honored at the National Leadership Conference held in Kansas City, Missouri on September 24-26, 2009 at the Hyatt Regency Crown Center. Which they celebrated ABWA's 60th Anniversary.

“Top Ten honorees are a paradigm for ABWA members who strive for excellence in their careers, their communities, and in the Association,” say Rene Street, ABWA Executive Director. “Its was a privilege to recognize these outstanding women this year at the National Women's Leadership Conference and to gain inspiration from their accomplishments.”

The mission of the American Business Women's Association is to bring together business women of diverse backgrounds and provide opportunities for them to help themselves and others grow professionally through leadership, education, network support and local/national recognition.

ABWA Camelot Chapter also focuses on funding college scholarships by holding fund raising events. These events have helped to provide more than \$105,000 in financial help to deserving young people in the Harrisburg area.

“Being a member of this chapter has assisted me tremendously both professionally and personally,” says Debra. “The networking support has significantly impacted my success and increased my ties to the community. Joining ABWA makes good business sense in the current economy and may give business professionals the edge needed to advance in their careers, make business contacts and grow their leadership skills.”
